

SIS40313 Certificate IV in Outdoor Recreation

Course Overview

Course Duration maximum timeframe of 12 months (NB: could be completed earlier)

The Certificate IV in Outdoor Recreation is aimed at people that are either already working in the Outdoor Recreation sector or for those that want to launch their career. The nationally recognised qualification provides skills and knowledge for an individual to competently guide an outdoor recreation activity. An instructor has the skills, knowledge and experience to facilitate skill transfer or development to clients in order that they may participate in outdoor activities.

Entry Requirements

- Age 18 or over (industry driven requirement), HSC or mature background
- It is desirable that participants have the physical attributes to participate in adventurous physical activities
- Participants are responsible for their own travel arrangements and any associated costs to and from face-to-face training and assessment sessions
- Access to internet for on-line component of the course

Outdoor Recreation Instructor

An outdoor recreation activity instructor instructs and guides individuals and groups in outdoor adventure activities such as bicycle touring, bushwalking, canoeing, caving, cross country skiing, horse riding, trekking, rafting, rock climbing and sailing.

Instructors develop the skills of participants so that they can act independently or with minimal supervision following the program or course.

N.B. Only Registered Training Organisations (RTO's) can issue a Nationally Recognised Training Qualification

Employment Opportunities

This qualification may provide employment opportunities in the following areas:

- Camping and Outdoor Recreation Centres
- Sport and Recreation centres
- Retail camping sector
- Tourism
- Outdoor Education
- Adventure therapy programs
- Youth at risk programs
- Volunteer Organisation
- Commercial Operators
